

# KALDEWEI

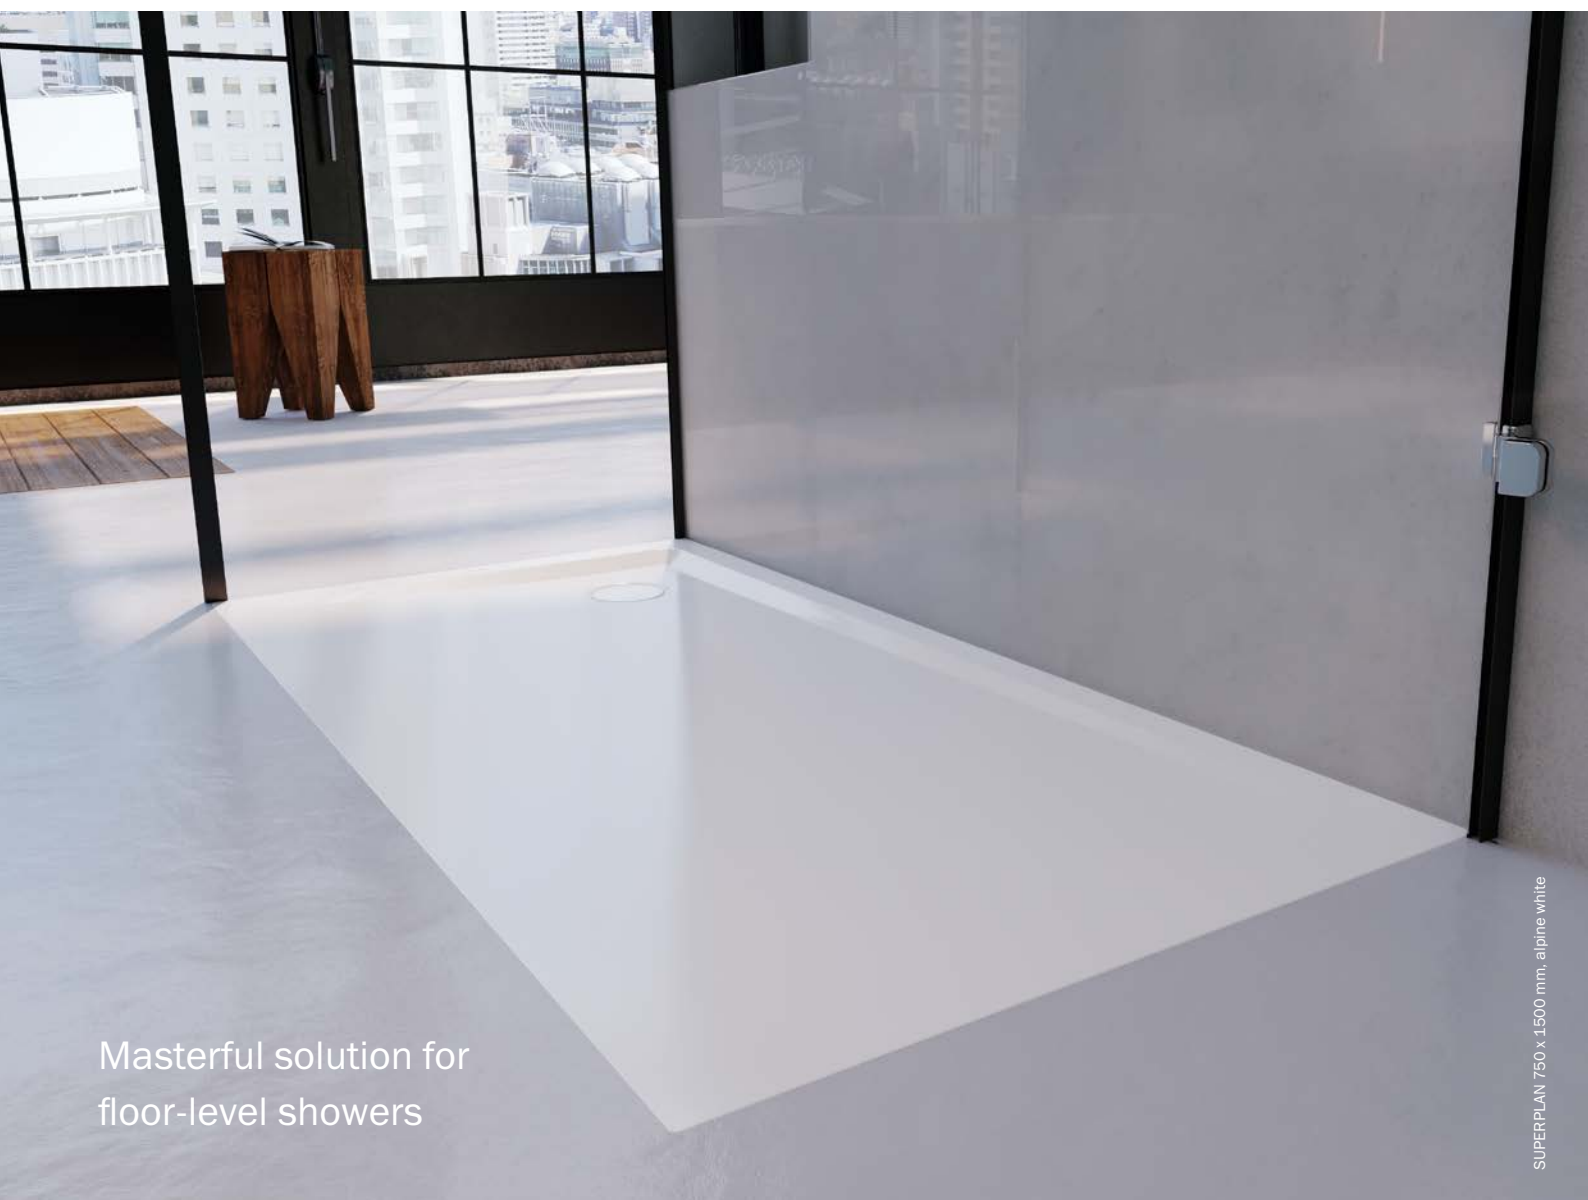

# SUPERPLAN

The classic with a new design

Launched in the 1990s as the first floor-level KALDEWEI shower surface and sold millions of times over – the SUPERPLAN is a classic among modern shower surfaces. True to our motto of making the best even better, we are giving the SUPERPLAN a contemporary look with a modernised design for trend setting bathrooms.

## SUPERPLAN – The classic with a new design

Masterful solution for  
floor-level showers

SUPERPLAN 750 x 1500 mm, alpine white

Easy installation on the screed or  
any other floor covering.  
Install almost floor-level with the  
low profil support - thanks to the  
low installation height.

# 41 Dimensions –

## Flexibility for your planning

Ⓐ SUPERPLAN Ⓑ SUPERPLAN INCL. PROFILE SUPPORT  
 Ⓒ SUPERPLAN INCL. LOW PROFILE SUPPORT

- Step-free entry from two sides
- Optimised installation depth of 2.5 centimetres
- Clear lines, precise edges and sharp corner radii for minimum joints and a uniform look
- Maximum standing area throughout, even with large dimensions
- The corner waste has the ideal position for many water connection situations
- The same installation for the new design – no changes in the installation and accessories
