The new EMPORIO collection is the result of our passion for brass, our love of artistic flourish, and our meticulous attention to detail. We also revisited some of the classic FEDE switch plate designs for inspiration, transforming our rich heritage into these sublime new decorative icons. In the EMPORIO collection, luxury reigns supreme.

These ravishing wiring accessories feature exclusive finishes and a chic style, perfect for putting the final touch on high-end interior decoration projects.

The EMPORIO collection is a true masterpiece that echoes the values of FEDE, namely our conviction that small details definitely make a big difference when it comes to décor.

The PROVENCE collection features a timeless design that is firmlyrooted in the style of country houses. These switches and sockets evoke the warm cosy feeling of traditional Provencal homes and the simple relaxed lifestyle that comes with them.

We manufacture the marvellous brass base of these PROVENCE front plates with an exclusive hand-painted finish, ensuring that every frame is unique.

This range complements natural building materials, such as stone, wood, and ceramic tile, but it also makes a captivating addition to contemporary settings.

COLLECTION

At FEDE, the natural beauty of Tuscany and its romantic countryside has inspired us to create a new range of switch plates: the SIENA collection. For this range, we have taken our cues from Tuscan interior decorating's meticulous attention to detail.

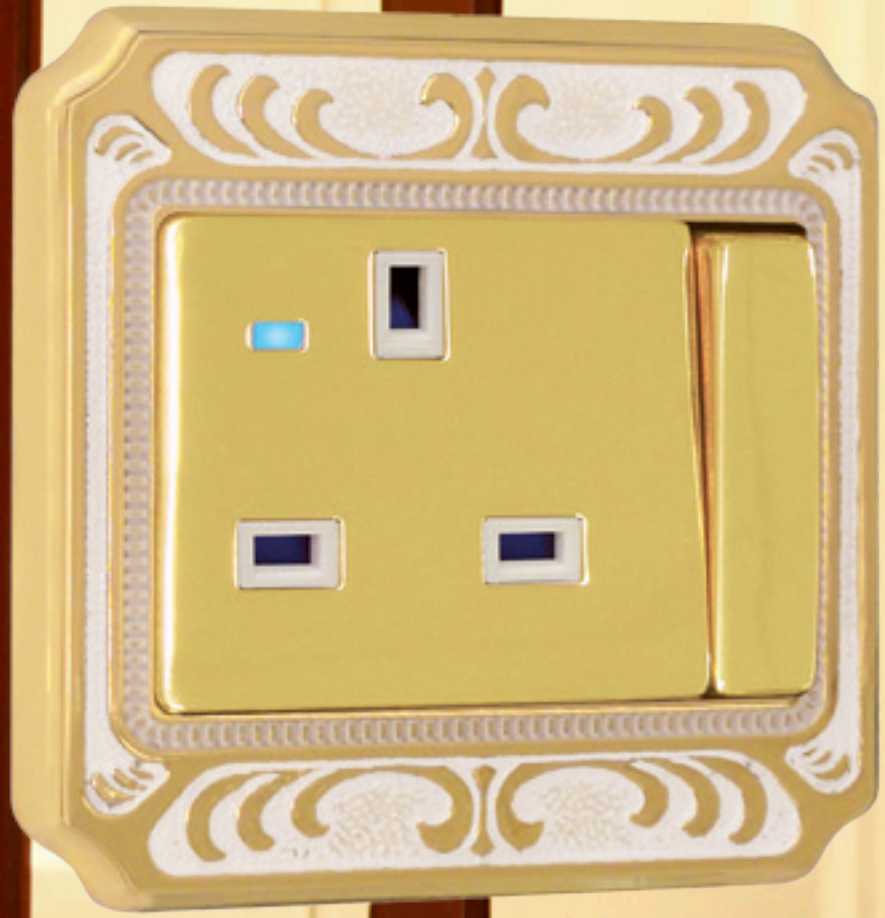

With its sophisticated design, hand-crafted finishes and genuine brass construction, this exclusive collection is perfect for putting the finishing touches on everything from beautiful villas and charming hotels to palaces and castles.

Wherever the SIENA collection's installed, it is sure to add a dash of decorative flair and create a warm relaxing atmosphere.

The SMALTO ITALIANO collection takes its inspiration from traditional jewellery-making practices, namely the use of Italian enamel. Our master artisans have applied this highly-valued technique to decorative front plates with brilliant results.

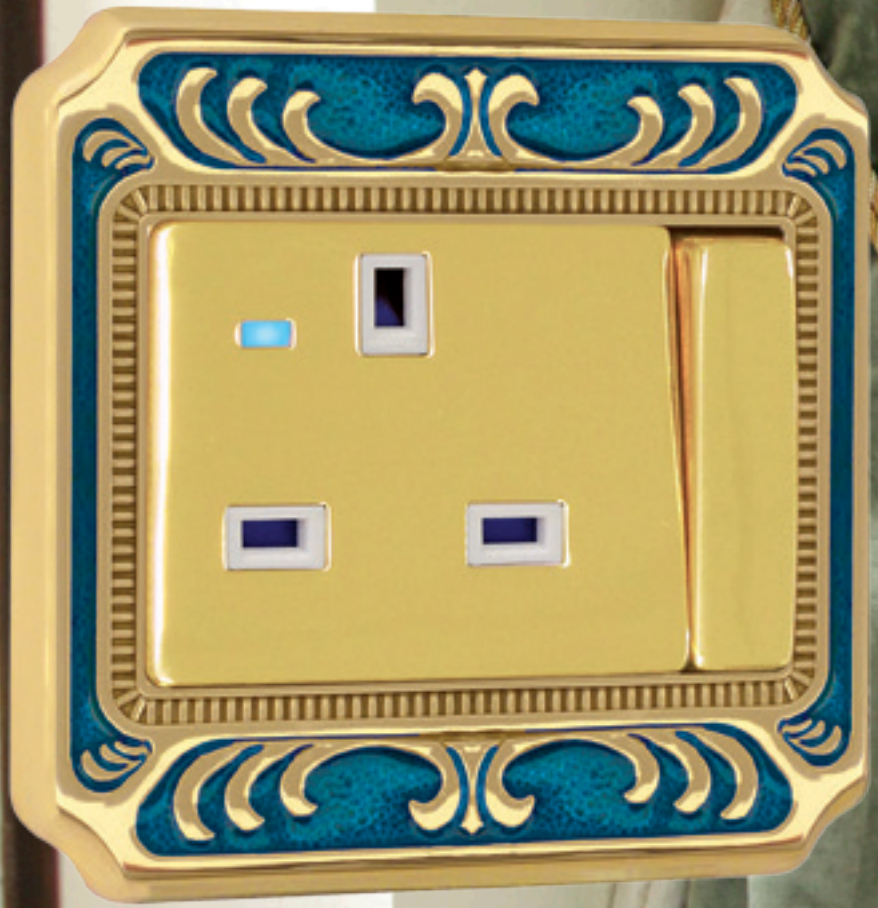

This magnificent range offers an exquisite palette, including Ruby Red, Emerald Green and Blue Sapphire, as well as the popular Pearl White and Jet Black.

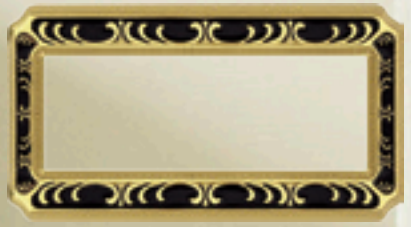

Thanks to their vivid enamel finishes, the SMALTO ITALIANO switches and sockets adorn your walls like precious stones. These luxury wiring accessories are sure to enhance the aesthetic appeal of any high-end design project.
