Lost Wax Collection

FEDE shows six new collections of lost wax, fully hand-chiselled bronze handles of high artistic value, numbered. These models are available in two finishes, as shown in the pictures: Antique Silver and Antique Gold.

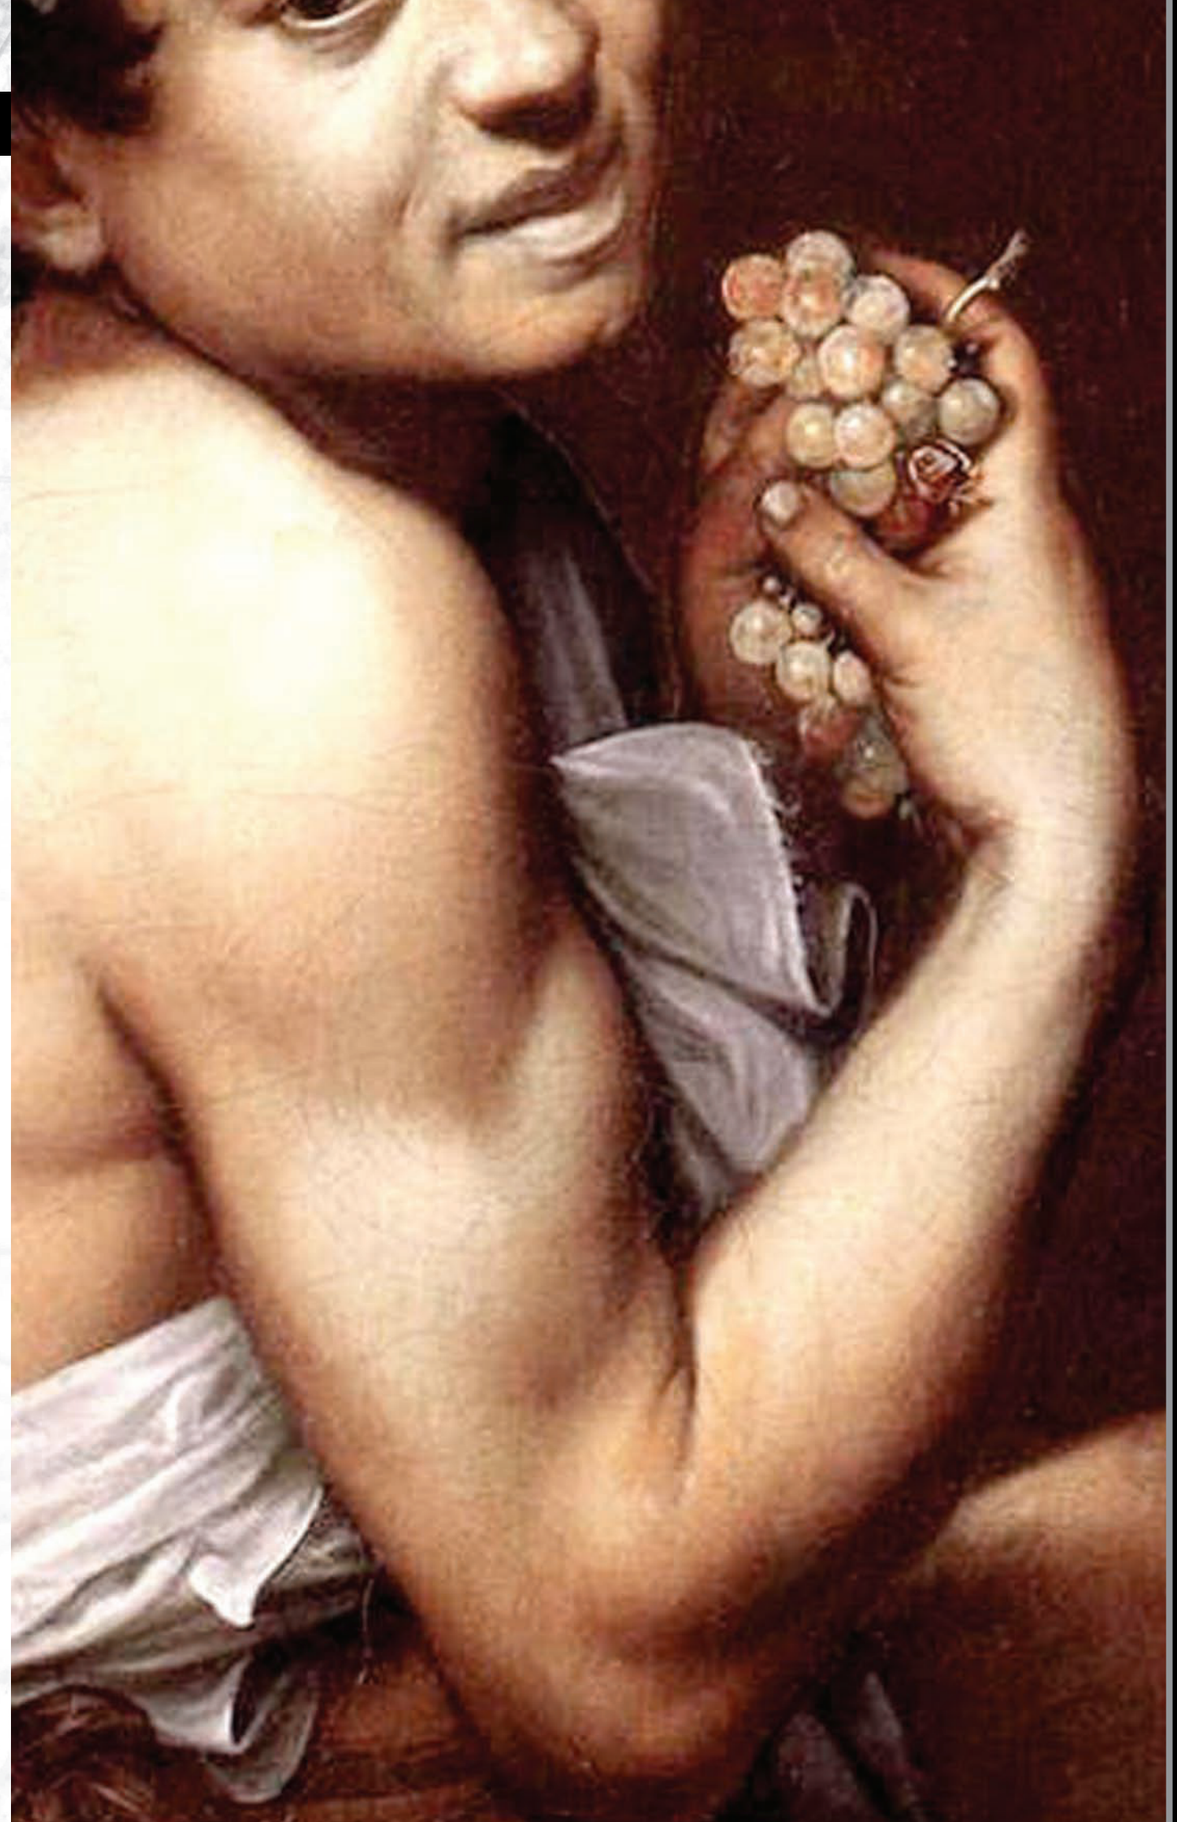

The lost wax models are the following:

-Caravaggio
-Donatello
-Mantegna
-Masaccio
-Tiepolo
-Tintoretto

FEDE can make lost wax exclusive items based on client's drawing.
