CUSTOM COMPOSITION CURATED FOR YOUR DESIGN PROJECT

Customizable configurations according to each project. For other compositions, please consult our Sales Department.

Configuraciones personalizables según las especificaciones de cada projecto. Para otras composiciones, por favor consulta con nuestro Departamento Comercial.

SQUARE BUTTON

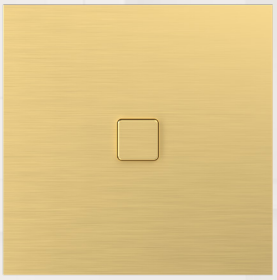

COLLECTION

The **SQUARE BUTTON** collection celebrates the purity of minimalism and square geometry. Its clean, contemporary design, combined with a precision push-button mechanism, ensures a surface that is always perfectly aligned and harmonious. Beyond its functionality, it is a refined detail that brings sophistication and discretion to any space, evoking the quiet luxury that defines the most meticulously curated environments.

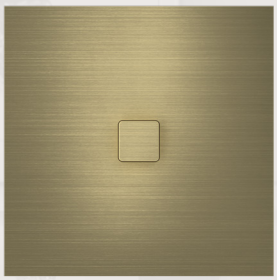

La colección **SQUARE BUTTON** celebra la pureza del minimalismo y la geometría cuadrada. Su diseño limpio y contemporáneo, junto con su mecanismo pulsador, garantiza una superficie siempre alineada y armoniosa. Además de su funcionalidad, es un detalle refinado que aporta sofisticación y discreción a cualquier espacio, evocando el lujo silencioso que distingue los ambientes más depurados.
